[The Tribal Law and Policy](#) invites interested applicants to register for a webinar that will provide guidance and resources concerning two current Justice Department funding opportunities (CTAS and BJA Adult Drug Courts RFP) that could assist with funding Tribal Healing to Wellness Courts. Representatives from the applicable Justice Department grant-making agencies will also be available to answer questions that you may have concerning the application process.

### (1) [CTAS \(Coordinated Tribal Assistance Solicitation\)](#)

The Department of Justice launched CTAS in Fiscal Year 2010 in direct response to concerns raised by Tribal leaders about the Department's grant process that did not provide the flexibility tribes needed to address their criminal justice and public safety needs. Through CTAS, federally-recognized Tribes and Tribal consortia are able to submit a single application for most of the Justice Department's Tribal grant programs. The Department of Justice designed this comprehensive approach to save time and resources and allow tribes and the Department to gain a better understanding of the Tribes' overall public safety needs.

For more information on CTAS – see [www.justice.gov/tribal](http://www.justice.gov/tribal) and [www.justice.gov/tribal/open-sol.html](http://www.justice.gov/tribal/open-sol.html)

Due Date: **April 18, 2012**

### (2) [BJA Adult Drug Court Discretionary Grant Program Tribal Assistance Solicitation](#)

The Bureau of Justice Assistance (BJA) is accepting applications for FY 2012 grants to establish new drug courts or enhance existing drug court services, coordination, and offender management and recovery support services. The purpose of the Adult Drug Court Discretionary Grant Program (42 U.S.C. 3797u et seq.) is to provide financial and technical assistance to states, state courts, local courts, units of local government, and Indian tribal governments to develop and implement drug courts that effectively integrate evidenced-based substance abuse treatment, mandatory drug testing, sanctions and incentives, and transitional services in a judicially supervised court setting with jurisdiction over substance-abusing offenders.

Due Date: **March 08, 2012**
