The screenshot shows a web browser window with the address bar displaying "nihb.org/tribalasi/index.php". The page content is organized under a "Resources" header. Below this header, there are five red rectangular buttons with white text, arranged in two rows. The first row contains three buttons: "TOOLS", "TRIBAL ACCREDITATION LEARNING COMMUNITY (TALC) WEBINAR SERIES", and "TRIBAL EXAMPLES OF REQUIRED MAJOR DOCUMENTS". The second row contains two buttons: "OVERVIEW OF ACCREDITATION" and "STORIES FROM THE FIELD". At the bottom of the page, there is a red horizontal line followed by the text "NIHB Contact:". In the bottom right corner, the "National Indian Health Board" logo is visible, featuring a red feather.

ACCREDITATION LIBRARY

PHAB Standards and Measures

Welcome to ASTHO's Accreditation Library!

This online repository is intended to serve as a resource and reference for state health agencies who are preparing to seek voluntary accreditation from the Public Health Accreditation Board. The goal of the Accreditation Library is to help generate ideas for state health agency staff and accreditation teams as they identify and select documentation that conforms to the guidance in the PHAB Standards and Measures. Below you will find example documentation, submitted from several state health agencies in various stages of the accreditation process. Each example is prefaced with a coversheet that contains a brief description of the document and justification explaining how it meets the specific standard and measure.
